# Central Laundry Solutions

## For Efficiency, Labor Savings & Productivity

GNA central laundry solutions are in place at hospitals, clinics and nursing homes across North America. We provide the most comprehensive product offering in the world — from open-pocket washers and dryers in small to large capacities and high-volume continuous batch washers to feeding, ironing and folding systems. We customize our solutions to meet your facility's specific needs.

### ■ Sanitization & Disinfection

- Washers seamlessly integrate with chemistry, ozone & UV systems to guarantee healthcare laundry is sanitized
- Auxiliary heat options to ensure water temperatures reach CDC recommendations
- Optional Disinfection Monitoring Package (DMP) verifies that disinfection protocols are met
- Patients & staff feel safe & secure

### ■ Extended Linen Life

- Linen Life Extension (LLE) automatically senses & measures moisture in a load
- Prevents over-drying & damage to fabrics so they last longer & feel softer

### ■ Ironing & Folding Automation

- Ironing and folding systems catapult production using less labor
- Superior quality ironing, folding & stacking
- Quick ROI
- Versatility to process a variety of items
- Enhanced patient experience

### ■ Production & Throughput

- Equipment sized to achieve property production goals (small to large capacities available)
- High-speed washer extraction significantly reduces dry time for more loads per day
- Ironing and folding automation drastically increases production
- Simple operation

### ■ Labor Savings

- Automated ironing & folding systems slash labor required
- Simple to use equipment simplifies cross-training

### ■ Space-Saving Configurations

- Compact designs & all-in-one systems available
- Most equipment fits through standard doorway

### ■ Reliability

- Constructed for constant, commercial use
- Backed by industry-leading warranties

### ■ Sustainability

- Highly efficient machinery manufactured in an environmentally friendly manner
- Lower water, natural gas & energy costs

# More About Us

Girbau North America (GNA) is an industry-leading provider of comprehensive laundry solutions and support services for the vended, commercial, industrial, multi-housing and textile care markets. GNA delivers quality laundry products in concert with local distributor expertise and business support services to clients throughout North America. At GNA, our proven, best-in-class equipment offering — including high-performance, open-pocket washers and dryers, continuous batch tunnel washing systems, feeders, ironers, folders and conveyor systems — are built for longevity, superior efficiency and unrivaled flexibility. Our slogan — Laundry Beyond Laundry — compliments our objective to add value, through innovation, high-performance equipment, solutions and services. GNA stands strong in its commitment to sustainability, adaptation to customer needs and providing clients with personalized laundry solutions that deliver success.

- Industry's most comprehensive equipment offering
- Local, expert distributor support
- Industry-best warranties
- Laundry design & layout
- Business proformas & financing
- Parts & ongoing local, technical service

At GNA, we cater to a number of markets with equipment and brand offerings designed to improve our clients' businesses.

## Market Channels

**Commercial** Every laundry is unique in size, scope and goals. At GNA we specialize in improving commercial on-premise laundries at hotels, vet clinics, salons, dairies, fire departments, correctional facilities, and more. We work to cut energy and labor costs, while boosting laundry production and quality.

**Industrial** Equipment flexibility and automation are key ways to boost production and quality while lowering overhead costs. GNA specializes in developing industrial laundries from scratch, as well as simply improving them with quick Returns on Investment (ROI).

**Textile Care** Our advanced wet cleaning technologies deliver exceptional programming flexibility for improved textile restoration results and a greater percentage of wet cleaned to dry cleaned items. Eco-friendly and a fraction of the cost of dry cleaning equipment.

**Vended** We help vended laundries get into business the right way, with exclusive products and expertise that help you stand apart from the competition.

**Multi-Housing** Apartment complexes, dormitories and residential facilities require durable, simple-to-use washers and dryers available in space-saving configurations. At GNA, we offer the equipment and local distributor support — often with creative lease and share options — to reduce management hassles while boosting revenue.

## Brands

**Continental Girbau®** Our flagship brand providing equipment and service solutions to vended and on-premise/commercial laundry markets.

**Express Laundry Center®** Innovators of the "60-minute wash/dry/fold," the trademarked Express Laundry Center brand is a turnkey vended laundry solution encompassing high-speed equipment, multiple store services and marketing/management support.

**Girbau Industrial®** GNA's industrial laundry equipment brand encompassing everything from open-pocket washers and dryers to high-volume continuous batch washing systems, ironers, folders and stackers.

**Poseidon Textile Care Systems®** GNA's eco-friendly wet cleaning brand for textile care businesses, including textile restoration and dry cleaning.

**Sports Laundry Systems®** Our dedicated brand for athletic laundries with specialized disinfection capabilities.

**OnePress Ironers®** Our highly productive brand of ironing systems engineered for quality results and medium- to high-volume productivity.

## GNA Subsidiary Companies

**Custom Select Financing** Provider of financing solutions to GNA customers.

**Continental Creative Services** Provider of marketing, advertising and public relations services to GNA customers and distributors.

## Sustainability

Not only are GNA laundry products highly efficient — using less energy, natural gas and water — they are manufactured in an environmentally friendly manner to meet rigorous environmental and safety standards established by the International Organization for Standardization (ISO). Ever focused on laundry efficiency, GNA is a member of the U.S. Green Building Council (USGBC), a 501(c)(3) nonprofit that developed the Leadership in Energy and Environmental Design (LEED) Green Building Rating System.
