Aadvantage receives GNA's 2021 On-Premise Distributor of the Year Award

Oshkosh, Wis.— Aadvantage Laundry Systems (Aadvantage), in Garland, Texas, recently received Girbau North America's (GNA) second consecutive On-Premise Laundry Distributor of the Year Award for outstanding sales and service performance within the on-premise laundry market.

Aadvantage, a division of EVI Inc., is led by President Ryan Smith and among the largest volume distributors in the world, according to GNA Vice President of Sales Joel Jorgensen.

"Aadvantage's outstanding team and service offering sets them apart. They serve a multitude of commercial laundry distribution markets very well, which makes them extremely diverse," he said. "We are proud to work alongside the Aadvantage team and look forward to a successful future together."

A full-service provider of parts, service and sales, Aadvantage serves the vended, multi-housing, industrial and on-premise laundry markets – providing turnkey solutions, including laundry design, financing, installation, business projections, demographic studies and highly efficient laundry equipment.

As a member of the EVI family, the Aadvantage team has the opportunity to share best practices and expertise with some of the top distributors in the country, according to Smith. "This relationship, combined with a team focused on our core values, allows us to deliver an unmatched laundry experience to the markets we serve. We are honored to work with a manufacturing partner like the Girbau North America team," he said. "Their efforts enable us to deliver industry-leading laundry equipment. When you add this to the professional service the AAdvantage team delivers, our customers receive an experience they deserve – one that is second to none."
