### Laura Ebben joins Girbau North America's finance team

Oshkosh, Wis.— Girbau North America (GNA) recently welcomed Laura Ebben, of Appleton, Wis., as staff accountant. Ebben brings a cumulative 14 years of office management, accounting and customer service experience to the role.

“Laura is a well-rounded individual who understands the value of quality customer service and how that positively impacts an organization,” said Director of Finance Administration Christine Skupas. “We look forward to seeing her grow within Girbau North America and our finance department.”

Ebben, who handles accounts receivable, cash management, tax filings and collections, works closely with GNA distributors every day. She holds an associate's degree in Applied Science in Accounting and a certificate in Financial Fraud Detection from Fox Valley Technical College, in Appleton, Wis.

Working at GNA appealed to Ebben for a number of reasons. “There is so much to learn about the laundry industry, which I find very interesting,” she said, “and the people who work here are quality people. The organization cares about its employees and their global impact. That felt like something I could get behind and be proud to support.”

GNA boasts the world's most comprehensive offering of commercial, industrial and vended laundry solutions, with brands including Continental Girbau®, Girbau Industrial®, Sports Laundry Systems®, Poseidon Textile Care Systems®, Express Laundry Centers® and OnePress®.
