For Immediate Release

### Caryn Elliott joins Girbau North America

Oshkosh, Wis.—Caryn Elliott, of Oshkosh, Wis., recently joined Girbau North America (GNA) as shipping & receiving specialist.

“Caryn is a team player with a great attitude and skill set,” said Andy Davis, director of operations. “We are pleased she’s part of the GNA family.”

In her new role, Elliott handles parts and product order fulfillment, product inspections, forklift operation and maintenance, inventory stocking and verification, basic machine modifications, and more. Elliott, who comes to Girbau with 30 years of manufacturing industry experience, most recently served Amcor, in Oshkosh, as a material handler, and Oshkosh Corp., in Oshkosh, as an assembler.

“I have driven a forklift for over 30 years and love it,” said Elliott. “I wanted to work at GNA because of the small-town feel. I was actually overwhelmed the first few weeks by how kind the people are here. I am excited to be part of a group of people working together toward a common goal.”

GNA boasts the world’s most comprehensive offering of commercial, industrial and vended laundry solutions, with brands including Continental Girbau®, Girbau Industrial®, Sports Laundry Systems®, Poseidon Textile Care Systems®, Express Laundry Centers® and OnePress®.

To discover more about Girbau North America and its brands, solutions and laundry products – backed by industry-leading warranties – visit [www.gnalaundry.com](http://www.gnalaundry.com) or call 800-256-1073.

Girbau North America is the largest of 17 subsidiaries of Girbau Global Laundry Solutions (Girbau), based in Vic, Spain. Girbau laundry products – marketed throughout 100 countries worldwide – meet rigorous environmental and safety standards established by the International Organization for Standardization (ISO). Girbau holds both ISO9001 and ISO14001 certifications. Ever focused on laundry efficiency, GNA is a member of the U.S. Green Building Council (USGB), a 501(c)(3) nonprofit that developed the Leadership in Energy and Environmental Design (LEED) Green Building Rating System.
