Girbau North America welcomes military veteran Roberts

Oshkosh, Wis.—Girbau North America (GNA) recently welcomed military service veteran James Roberts, of Omro, Wis., as service support technician.

As service support technician, Roberts handles daily communications with GNA product end-users and distributor technicians to help troubleshoot and resolve laundry product technical issues. Additionally, Roberts is responsible for conducting service training, repairing machinery, helping develop training videos and assisting with product improvement and development. He brings 8 years of experience as a generator/power systems technician, and 8 years of experience as a U.S. Army signal system support specialist and individual ready reserve sergeant.

“James brings a lot of technical service experience to GNA, along with an enthusiasm for helping customers,” said Shannon Rose, commercial technician service manager. “This fits in nicely with our goals and team philosophy.”

“I like to troubleshoot and help people,” said Roberts. “Working at GNA has been a great experience thus far and I am looking forward to learning more about the products.”

GNA boasts the world’s most comprehensive offering of commercial, industrial and vended laundry solutions, with brands including Continental Girbau®, Girbau Industrial®, Sports Laundry Systems®, Poseidon Textile Care Systems®, Express Laundry Centers® and OnePress®.

To discover more about Girbau North America and its brands, solutions and laundry products – backed by industry-leading warranties – visit www.gnalaundry.com or call 800-256-1073.

Girbau North America is the largest of 17 subsidiaries of Girbau Global Laundry Solutions (Girbau), based in Vic, Spain. Girbau laundry products – marketed throughout 100 countries worldwide – meet rigorous environmental and safety standards established by the International Organization for Standardization (ISO). Girbau holds both ISO9001 and ISO14001 certifications. Ever focused on laundry

efficiency, GNA is a member of the U.S. Green Building Council (USGB), a 501(c)(3) nonprofit that developed the Leadership in Energy and Environmental Design (LEED) Green Building Rating System.
