### Continental Girbau announces Oldest Girbau Washer Contest! Win a free ride to Clean '11

Oshkosh, Wis.— During the celebration of the 15- and 50-year anniversaries of Continental Girbau and Girbau S.A., respectively, Continental is searching for the oldest operating Girbau washer in North America. “We know some very old Girbau washers are out there,” says President Mike Floyd, “and we are rewarding the customer with the oldest washer still in operation and the distributor that finds them.”

The winners of the contest will each receive free roundtrip airfare and lodging, for two, to the upcoming Clean Show, June 6-9, 2011, in Las Vegas. Distributors and/or customers must register for the contest online, at [www.continentalgirbau.com/oldestwasher](http://www.continentalgirbau.com/oldestwasher), by February 28, 2011.

Any operating Girbau-manufactured washer located in North America qualifies for the contest, including the following brand names:

- Golder Girbau
- Continental Girbau
- or any other brand previously manufactured by Girbau
